

S&P Capital IQ Pro

A single platform for essential intelligence

An unrivaled breadth and depth of data. Tech-forward productivity tools. News and research that tell the story behind the data. All in one platform that powers your edge.

Essential information you need, when you need it. That's the power of S&P Capital IQ Pro.

S&P Global
Market Intelligence

S&P Capital IQ **PRO**

Confident decisions begin with access to the right information.

Data that's in a class of its own

To make confident decisions, you must trust your source. The S&P Capital IQ Pro platform is built on the highest-quality corporate, market, and financial information available. And to prove our relentless commitment to quality, we donate \$50 to charity for every verified mistake or omission in our data with our Quality Program.

Unrivaled market insights

Access deeper, more meaningful data on the global financial markets, companies, and industries that impact your business. The S&P Capital IQ Pro platform provides proprietary research and in-depth analysis from thought leaders and industry experts, and condenses more than 135 billion raw data points a year into actionable intelligence.

Service you can rely on

The markets never rest, and neither do we. Our 24/7/365 global support team provides around-the-clock assistance on every aspect of the S&P Capital IQ Pro platform. Our dedicated experts are only a phone call, email, or chat away to answer any questions.

Erase day-to-day monotony with AI-Driven Insights

Leverage Document Intelligence

Quickly navigate textual data, and use our integrated AI assistant, ChatIQ, to gain instant insights.

Tap into S&P Capital IQ Pro Labs

Discover how we're always innovating with beta tools like News Sentiment and Transcript Trending Topics, while ChatIQ answers your natural language queries.

Stay Updated with IQ Newsletters

Get key market updates with our Morning, Midday, and Evening IQ Newsletters covering U.S., EMEA, and APAC.

Navigate our data with Mapping

Visualization Tools

Built on sector-specific data, the Maps tool builds a bird's-eye view of the market.

M&A Analysis

Identify unseen opportunities and see the pro-forma footprint of potential mergers.
