6 Nifty 50 stocks registered a positive run in last 15 days

by Dhruvank Dave

In Nifty 50, there were six such scrips that witnessed a positive run as on July 12, 2024. A positive run implies positive returns in the latest 3 or more consecutive trading sessions within the last 15 calendar days.

Out of the six stocks, Dr. Reddy's Laboratories recorded the longest winning streak of nine days. The company gave 5.76 per cent returns over the nine trading sessions, closing at Rs. 6,719.45 on Friday.

Inspite of the nine day rally in Dr. Reddy's Laboratories, the highest returns were delivered by H D F C Life Insurance Co. gaining 7.76 per cent over a eight day run.

All the six companies outperformed the Nifty 50 benchmark index during their respective run periods.
