Capacity addition in passenger vehicles industry to surge

GST cut sparks renewed demand for passenger vehicles

The passenger vehicles industry is likely to witness a surge in capacity addition over the next couple of years. This boost will be on the back of leading passenger vehicle original equipment manufacturers (OEMs)

Tamal Senger

Users may seek clarifications on the content and operations of Industry Outlook, using this interface.

Select the most appropriate subject from the options below. CMIE will answer all specific questions. Open-ended ones may not be answered. To see the clarifications re-visit this section and click on Inbox. New responses if any, are indicated by the number in brackets.

- ☐ Data availability in Industry Outlook
Use this option to enquire about the availability of any particular data in Industry Outlook. This is particularly used in seeking clarification regarding the availability of data for a particular report.
- ☐ Clarification on data presented in Industry Outlook
Specify the Indicator(s) and the value(s) along with report name for which you need clarity and also specify what is the issue with the value(s) given in Industry Outlook.
- ☐ Clarification on articles presented in Industry Outlook
Specify the Header along with link of the article for which you need clarity and also specify what is the issue with the article(s) given in Industry Outlook.
- ☐ Clarification on operational issues
Here you can seek clarification on how the Industry Outlook website is operated. Specify the operation for which you seek clarification.
- ☐ Other issues
If not classified in any of the above please use this option.

users may seek clarifications on the coverage and the contents. Users can enter their requests in the structured user-interface provided and team will revert at the earliest
