Quarterly Industry Update

2.13.2023

Challenge: Aftermath of Holiday Meltdown - The holiday meltdown in the US has resulted in significant revenue loss for airlines and related organizations. The New York Times reports that the holiday meltdown last December cost the Southwest Airlines more than \$1 billion, including lost revenue from canceled flights and refunds and reimbursements to passengers. The mass flight cancellations cost Southwest about \$800 million in Q4 2022 and is expected to dent revenue through March 2023 by as much as \$350 million. Bad weather forced airlines across the US to cancel thousands of flights and some airlines struggled to resume normal operations once conditions improved, resulting in customers voluntarily canceling flights and making other plans. Airlines may continue to struggle with bookings in the next months as airlines are still recovering from the major loss incurred during the holidays.

Industry Impact - Airlines in the US may continue to struggle regaining all the cancelled flights and trips over the

Company Name Search

The screenshot displays a search interface with a left sidebar containing filters: Publication title, Document type, Subject, Company/organization, Location, Person, Language, and Database. The 'Company/organization' filter is expanded, showing a list of entities with their counts. A red box highlights the 'More >' link at the bottom of this list. A red arrow points from this link to a modal window titled 'Company/organization'.

The modal window shows a table with columns: Include, Exclude, Company/organization, and Count. The 'Company/organization' column header is highlighted with a red box. Two rows are selected, indicated by yellow backgrounds and checked checkboxes in the 'Include' column: 'Hubbell Inc' (Count: 5,793) and 'Hubbell Lighting Inc' (Count: 110). These checkboxes are also highlighted with a red box. At the bottom right of the modal, there are 'Cancel' and 'Apply' buttons, with the 'Apply' button highlighted by a red box.

Company Profile Search Results

The screenshot displays the ABI/INFORM Collection search interface. The search bar at the top contains the query 'company(hubbell)' and a magnifying glass icon. Below the search bar, a teal banner indicates 'Additional limits - Document type: Company Profile'. The results section shows '63 results' and includes links for 'Modify search', 'Recent searches', and 'Save search/alert'. On the left, a sidebar offers filters for 'Sorted by' (Most recent first), 'Limit to' (Exclude Wire Feeds, Full text), 'Source type' (Reports (15), Wire Feeds (47), Other Sources (1)), and 'Publication date' (2013 - 2022 (years) with a bar chart). The main results area lists four items, each with a checkbox, a document icon, a title, a source, a date, and a 'Full Text' link. The first three items are 'Wire Feed' documents, and the fourth is a 'Report'.
